### **Cupcake Bakery** Session 1 **June 7th & 9th** Session 2 **June 14th & 16th**

Looking for something new, fun, cool and different for your children? Cooking is an excellent way for your child to learn a life skill that develops creative thinking in art, science, and math. Children will experience hands-on cupcake making from scratch. New recipe every time!

### **Joyful Noise** **June 21 & 23**

Does your child enjoy making some joyful noise? Kids who grow up hearing music, singing songs, and moving to the beat are enjoying what experts call "a rich sensory environment." That's just a fancy way of saying they're exposed to a wide variety of tastes, smells, textures, colors, and sounds. Your child will be singing their hearts out at this camp and making musical instruments to use in our own marching band!

### **Clay Creations** **July 12th & 14th**

Preschoolers can make their imaginations come to life at this camp. Clay is one of the play activities that we can use to nurture our child's development. It is loved by children as they can make anything using their imagination and creativity. Clay is another fun activity that has benefits for small motor skills and eye hand coordination.

### **Paint Your Heart Out** **July 19th & 21st**

Painting is an important part of your child's early childhood education, regardless of whether you think he/she will grow up to be another Picasso. Children are active learners, and painting is a hands-on activity that expands imaginations and exercises creativity. It also develops small motor control and eye/hand coordination, and sharpens children's powers of observation.

### **Old McDonald Had A Farm** **July 26th & 28th**

Take me out to the barnyard take me out there right now show me the cows, pigs, and horses too, I hear an oink and a neigh and a moo. There are chickens laying their eggs, If they don't lay it's a shame. Oh, it's one, two, three, eggs today, And, I'm glad that I came. Preschoolers will come and explore the farm and learn all about all the animals that live on a farm.

**Camps will be held at the preschool at Real Life Christian Church**
